Subject: Wheelchairs, Durable Medical Equipment (DME), and Supplies: Fee Schedule Corrections

Retroactive to dates of service on and after January 1, 2005, the Medical Assistance Administration (MAA) is correcting two misplaced procedure codes and deleting certain discontinued procedure codes published in Numbered Memo 04-97 MAA for wheelchairs, durable medical equipment, and supplies. The published rates for these procedure codes remain the same.

Corrections to Placement of Procedure Codes in the Fee Schedule

MAA incorrectly listed some procedure codes on two pages of the Wheelchair Fee Schedule, published in Numbered Memo 04-97 MAA. The table below outlines the corrections MAA is making to the fee schedule.

Procedure Code	Placement in Fee Schedule
E1239	Moved from page I.1 to page I.6 under Power Wheelchairs
E2205	Removed from page I.15. This code was incorrectly listed twice. It is now only listed on page I.27.

Deleting Discontinued Procedure Codes

MAA neglected to delete discontinued procedure codes K0059, K0060, and K0061 from Wheelchair Fee Schedule published in Numbered Memo 04-97 MAA. These procedure codes are discontinued for dates of service on and after January 1, 2005. They are now properly identified as “discontinued” on page I.18 of the Wheelchair Fee Schedule.

Procedure Codes	Fee Schedule Page in 04-97 MAA	Discontinued
K0059	I.17	1/1/05
K0060	I.18	1/1/05
K0061	I.18	1/1/05

Do I need to rebill?

No. There is no need for providers to rebill for these changes.

Billing Instructions Replacement Pages

Attached are replacement pages I.1 through 1.28 for MAA's current *Wheelchairs, Durable Medical Equipment (DME), and Supplies Billing Instructions*, reflecting the changes made to the Wheelchair fee schedule.

Bill MAA your usual and customary charges.
